- Quickly freshens areas and dispels unpleasant odours.
- Long lasting perfume.
- Suitable for use on a range of surfaces.
- Ready to use formulation.

### Product Description:

MAGIC is a highly effective & quick acting odour neutraliser and deodoriser which will eliminate offensive malodours including urine, vomit, smoke, perspiration, rancid food, and pet odours. MAGIC is ideal for deodorising any surface where smell can be a problem, including carpets, fabrics, urinals, waste and rubbish bins, ashtray, drains and chutes. Ideal for use in offices, hotels, nursing homes, public rooms, reception areas and washrooms, or any anywhere that unpleasant odour is an issue.

### Directions and Dilutions:

Use undiluted for stubborn odours, or dilute 1:50 parts water for general deodorising. For areas with an established persistent problem spray the surface liberally to ensure the odour is digested. For more recently contaminated areas spray the offending material to help neutralise the immediate odour. Remove as much solid by dustpan and blot urine with paper towel. Spray the surface once again liberally and allow the product to overcome both the malodour and its cause.
